BINGHAM PLAY PARKS UPDATE

By the time you read this article it is anticipated that the contract for the refurbishment of Carnarvon Playing Field Play Park will have been awarded and announced at the Christmas Fair. It's certainly been a long time coming; but the good news is that provided the weather is kind to us, the new Play Park should be well underway by the start of Spring.

Our last update in September's Town Council News thanked those residents including neighbours of Carnarvon Playing Field who came out and participated in our community event so that your views could be incorporated into our Invitation to Tender. Which in turn will result in a new Play Park offering improved play value whilst also being a good neighbour. The Town Council went out to tender on 08 October with tenders returned on 05 November.

The tenders were evaluated at a joint meeting with representatives from the Town Council and Bingham Community Parks Project with our Play Park Consultant in attendance to assist, as well as Officers from the Town Council. Pupils from Robert Miles Infants and Junior Schools were also asked for their input on the park design and equipment.

We really appreciate all of the community support that we have received to date, hopefully that will extend into our next project.....our attention has already turned to the refurbishment of Wychwood Road Play Park.
