Dear Sir or Madam

Re: Special Instructions

This letter is sent in relation to Bingham Town Council's Natwest account nos: [REDACTED]
and [REDACTED], sort code: [REDACTED]

The Town Council resolved at its meeting on 18 June 2019 to proceed with the inclusion of a special instruction against its accounts in order that the Town Clerk, Sharon Pyke and Deputy Clerk, Jo Riddle may contact Natwest Business Banking team directly without the need for a Councillor, who is a bank signatory to initiate the call. The special instruction is limited to general queries and account information. A copy of the Council's minutes will accompany this letter.

The Town Clerk and the Deputy Clerk have on a separate sheet included their date of birth a password and signed their name.

Regards,

Councillor Rowan Bird

Councillor Francis Purdue-Horan
