BINGHAM NEIGHBOURHOOD PLAN STEERING COMMITTEE
REPORT ON PROGRESS
30 April 2019

The NPSC first met in January 2019. At this meeting Peter Allen was appointed chairman, Karen Peters the Treasurer and Cllr John Stockwood agreed to act as secretary for the one meeting only. Nikki Thomas became the full time secretary at the February meeting.

The committee consists of 15 members. Meetings are held in the Council Chamber on the last Monday of the month unless there are conflicting dates – such as bank holidays.

The meetings so far have mostly been devoted to business matters regarding set up and procedure, but important decisions and one major step have been taken:

- The launch of the NPSC will be at the Bingham Summer Fair on 8th June and the first public consultation will be carried out then. A stall has been hired and paid for.
- A news release has been put in the Buttercross and items sent to other news outlets.
- The NPSC will adopt the same logo and colour scheme as the Community-led Plan SG to demonstrate continuity.
- A bank account has been opened and a grant from the BTC has been paid into it.
- The NPSC has agreed to set up its own website and this has been commissioned. It will be launched in time for the Summer Fair.
- The Strategic Statement that will form the practical and philosophical basis for all future work has now been agreed and adopted unanimously by the NPSC. This is an important step and one that in NP committees elsewhere in Rushcliffe has been hard to achieve. It will now go to the BTC for councillors to scrutinise it and vote on adoption.
- We have decided that when the NPSC reaches agreement on any topic or policy it will be put to the BTC for discussion among councillors and adoption.
- Minutes of monthly meetings will be put on the NPSC website when they have been approved by the committee.
- The NPSC has decided that we will not commission a consultant until we have formed our ideas on the policies that we wish to develop, but we will ask RBC for help from a planner at an early stage.
- A draft list of Objectives has been drawn up. It is based on the Strategic Statement and information gleaned from other NPs completed within Rushcliffe. Discussion about this and decisions about the next steps will form the basis for the May meeting.

Peter Allen

Chairman NPSC

20 April 2019.

BINGHAM NEIGHBOURHOOD PLAN

The statement given below was adopted unanimously by the Neighbourhood Plan Steering Committee on 29th April 2019. It provides the practical and philosophical basis for the Neighbourhood Plan for Bingham that is now under development.

STRATEGIC STATEMENT

Any further major development in Bingham should be confined to the areas north of the railway line and east of Carnarvon Primary School. All green spaces within the built-up area, whether currently protected or not, should be preserved for public benefit.

All future development should facilitate the transition for Bingham from being a dormitory town towards being a more self-sufficient community that can serve as a commercial, employment and recreational hub for itself and the wider area around the town. It should be designed to ensure that the two halves of Bingham, north and south of the railway line, form a single entity.

The infrastructure (shops, industrial and other commercial areas, recreational facilities, schools, health service, transport links, broadband provision, charging points etc.) should be an integral part of the overall plan and developed at the same time as the housing. In addition, an employment strategy should be drawn up alongside the housing plan that reflects local needs and provides for all levels of ability.

The balance within the new housing provision must reflect the current and projected demographic structure of the community with accommodation for the retired and low waged integral to the plan.

All elements of the plan should be designed with the flexibility to adapt to predicted needs 30 to 50 years in the future. This should take into account the need to improve energy efficiency, anticipated changes arising from global warming, changes in the way power is generated and delivered to homes and businesses and in the provisions for personal transport.

April 2019

(Updated) Financial Report for year ended 31 March 2019

Overview

In February 2018, the Council set its budget at £299,780, it ended the year having spent (including transfers to reserves) £422,963.73, an overspend of £123,156.73. Fortunately, an uplift in estimated receipts reduced the amount of the overspend to £112,634.06.

The attached spreadsheet provides a detailed breakdown. The variations below serve as a headline to the detail contained within the spreadsheet.

Variations

There were fluctuations across budget headings; which is not unusual with overspends being counterbalanced by underspends in other areas. The main overspends are detailed below.

1. During budget planning for 31 March 2019, one of the Council's strategic objectives was to refurbish 3 of the town play areas: Carnarvon, Wychwood and Cogley Lane. The plan at the outset was to seek funding from external sources. To expedite the refurbishment programme, as grant funding applications take time, the Council resolved to 100% fund the refurbishment of Carnarvon play park from reserves.

Cost: £63,997.70
 2. Toward the end of last year, there were problems with the drains at the Old Court House. Following a drain scan it became apparent that significant repair work was required. The building was closed to the public. This was unbudgeted expenditure.

Drain Repairs: £10,303.67
Tarmac work to Old Court House drive: £4,375.00
Toilet hire: £4,960.00
 3. The grounds maintenance of Butt Field pitches was outsourced as part of the Football Association's Pitch Improvement Plan. There was additional expenditure over and above the budget.

Additional Cost: £8,425.00
 4. A staff review was undertaken. An action plan has yet to be agreed but it should contribute toward reducing the residual risk levels related to staff contained in the Risk Register. This was unbudgeted expenditure from reserves.

Cost: £4,550.00
- Total: £96,611.37

Reserves

Whilst the overspend has reduced the reserves; with total reserves of £350,879.10, the Council maintains a healthy status.
