In response to Covid19 we have utilised Rosie The Little Pink Tuk Tuk to work with local businesses, market stall holders and the pharmacy. Delivering vital medication and essential items.

As lockdown eases, we are supporting people to adapt to a new 'norm'.

We have facilitated the tuk tuk driver training of 17 volunteers. Meeting the needs of the community. Making over 2500 deliveries, using over 500 volunteer hours; supporting businesses in uncertain times.

We are requesting €1000 as a contribution towards the facilitation costs, the ongoing costs of the tuk tuk, fuel, repairs, insurance, tax etc.

The money we ~~for~~ have been given to date has been used.

Thank you.

Subject: British Red Cross Support

Join us in helping others during the coronavirus outbreak

The power of kindness is needed more than ever as the UK faces a global coronavirus pandemic

[Find out more >](#)

BritishRedCross

Dear Clerk and Councillors of Bingham Parish Council,

My name is Bethany and I am currently working as a Community Fundraising Intern at the British Red Cross, an organisation I am immensely proud to be a part of. For 150 years, the British Red Cross has been helping people in your community get the help they need in a crisis. Alongside our response to the current Covid19 pandemic, we provide a range of trusted services including Wheelchair Loans, Refugee Support, A&E Discharge and Fire and Emergency Support.

Could Bingham Parish Council consider making a donation to support the essential services we provide across Nottinghamshire, including in your local area?

Alongside our core services, we are scaling up our work to help those most affected by COVID-19.

Across the UK, thousands of volunteers have signed up to help us in their local communities as the country faces the biggest crisis of our generation. They have been distributing food, medicines and supplies to those who can't get out themselves. Both local and global, our network of incredible staff and volunteers means we are uniquely placed to reach people in fearful, uncertain times.

To alleviate the immense pressure on the NHS and free up beds, we have expanded our home from hospital service for highly vulnerable, isolated elderly people. We support them to live independently at home, and help people with limited support networks such as the socially isolated, and those with multiple/complex health needs.

Refugees, already amongst the most at risk in our society, face increasing levels of homelessness and destitution as hosting and accommodation schemes are paused and shut down. We are providing emergency cash based assistance and offering one-to-one casework remotely.

This unprecedented situation is ever changing, and so is our response. We must ensure that nobody is left to face this alone. For constantly updated information, please see: www.redcross.org.uk/about-us/what-we-do/uk-emergency-response/coronavirus

Throughout this period of added pressure, it's vital that our core and critical services remain operational.

Mobility Aids - People of all ages can find themselves with short term mobility problems due to an accident, ill health, or injury. The Red Cross hires wheelchairs and other mobility aids to help people stay mobile and as independent as possible, reduce social exclusion, and the pressure on carers - both younger and older. The Red Cross knows a wheelchair is not just a piece of equipment; it is something that can make a huge difference to someone and their quality of life.

Emergency Response - Our Emergency Response teams operate in partnership with the local Fire and Rescue Services, as well as supporting ambulance services, health authorities, the police, and utilities companies in the area.

Our volunteers are trained to respond to all kinds of emergencies from floods and terror attacks, to less high-profile crises such as power cuts and water supply disruption. We can't predict when or where the next emergency will happen, we only know that it will, regardless of the current pandemic.

How your support can help

People rely on the Red Cross to be there for them when they need it most. A donation from the Parish Council will help us to ensure that no one falls through the gaps. We're all in this together.

If you can support our work, please contact [REDACTED] with the date the donation was made, the amount and the payment reference.
