

List any donations or grants that the Association, Club, etc. has applied for, or received, in the last twelve months, and to what purpose they will be used:

We have just received confirmation from Co-op that we have been selected as a Local Community Cause which runs for 12 months from October 25th. Funds are dependent on Co-op members selecting our cause.

We have also applied for funding via Cash4Clubs - a sports funding scheme giving clubs a unique chance to apply for grants to improve facilities, purchase new equipment, gain coaching qualifications, and invest in the sustainability of their club. The Cash4Clubs scheme we have been advised is now closed so funding is unlikely.

Please give any further details or information which you consider relevant to your application (Continue on a separate sheet if necessary)

Loss of income arising from COVID-19 to South Notts Hockey Club including retrospective losses from 1 March, 2020, and/or projected losses through to 31st October, 2020.

Match taxes - mid March - £700 6 mens games and 1 ladies game

Annual awards presentation - is the club's biggest fundraiser - in 2019 a sum of £525 was raised - this was cancelled in April 2020.

The club's end of season tournament planned for April 25th, 2020 is another club fundraiser - the event was also cancelled. Expected revenue £200

Summer fayre - Bingham another fundraising event that was cancelled. Club was due to participate with a couple of table-top games to raise money for the club estimated at £100

Summer leagues cancelled - revenue from match taxes £250

The club expects significant loss of Sponsorship for the new season. In 2019/2020 sponsorship was £3760

We are very much a community-club and this period has been particularly tough on our members that benefit from the sense of community that a local club like ours engenders.

The buffer between the club's costs and income is marginal and while we are not able to add to our reserve account with fundraising activities and revenue from activities that have been cancelled, our cash flow will be impacted and we would need to use our existing reserve fund account to cover club costs instead of continuing with our coaching and outreach programmes.
