Good evening Sharon,

I hope this email finds you well!

Please find attached our application to Capital Grant Aid for the Vale of Belvoir knights Basketball Club.

We unfortunately have not been able to operate since March and are very much looking forward to trying to get back on the court even with our restrictions.

Any help or assistance would be very much appreciated and well received to enable the 50 plus young people of Bingham and surrounding area to return back to the court asap!

Thank you and I look forward to hearing from you soon.

Kind regards  
Lee English  
Head Coach
