---

State purpose for which finance is sought, together with details of costs, etc

Pre Covid Lockdown in March we had large numbers of regular numbers paying weekly subscriptions that covered court hire £40/hr, Governing body memberships, insurance, league entry fees and contributions towards match kits. Unfortunately we lost membership subscriptions, and have not made enough to buy new kits. We have a high demand when we restart but as we are an indoor sport we will suffer restrictions on numbers and court availability. We have young people who would like to help coach to enable us to do more basketball but the cost of the courses have now increased.

We usually operate at a ratio of 1:15 but now we must operate at a 1:10 for safety. We must also have hand/equipment washing or cleaning facilities.

Each person must have their own ball where possible.

During the spring time we will hope to have more accessible outdoor session and therefore will need portable hoops.

We would therefore kindly request the support of £2630

Costing breakdown.

- £960 training day income which would cover, membership and league subscriptions, new kit and new balls.
  - Coaching courses £570 for 3 people
  - Safe guarding training and DBS £150 for 3 people
  - Portable basketball hoops 2 x £600
  - 50 basketballs £350
