Press and Public joining the meeting

There will be an option on entering to use your video, mic and enter your name.

- Name - The name you enter will be displayed on screen, so please decide before joining the meeting if you wish to use your first or last name only or put anonymous if you don't want your name displayed as the meeting will be recorded. If you already have a Teams account, the name you use will be displayed.
- Camera - This does not have to be used, you will see the Councillors and other attendees, but we will not see you unless you have the camera on. If you wish to speak, it would be useful for your camera to be on, but it is not essential.
- Mic - You will need the mic to speak to your question or observation but to ensure the meeting runs as smoothly as possible, please leave your mic off until item 3 on the agenda. At this point, the Mayor will invite you to speak. Please turn off your mic after speaking in this item for the remainder of the meeting.
- Recording – The meeting will be recorded, when the recording is on, this should be shown on your screen. The recording may show faces of those with the camera turned on and this will be uploaded to the website. By having your camera on, you will therefore need to be aware that you are agreeing to this. If you do not wish your face to be seen, please leave your camera turned off.
