State purpose for which finance is sought, together with details of costs, etc:
Archaeological investigation of Warner's Paddock as a follow up to previous work on test pits and geophysical survey. Much work will be done by volunteers. A detailed project plan and note of likely costs is attached.

List any donations or grants that the Association, Club, etc. has applied for, or received, in the last twelve months, and to what purpose they will be used: ...None.....

This is one of three important projects for which we are seeking funding from various "statutory" sources this year. We are seeking grant aid from Bingham Rushcliffe councillors and Bingham County Councillors in respect of two projects – a reprint of our heritage trails leaflets and the installation of blue plaques celebrating the life of James Prior Kirk, an important literary figure who lived in Bingham. Details of all three applications are in the attached paper.

Please give any further details or information which you consider relevant to your application (Continue on a separate sheet if necessary)

.....Our proposed method statement is attached which gives a good picture of the exercise. We plan to be on site for half a day during the week beginning 27 June for setting out and two weeks starting June 6th for excavations. Once completed, all other work will take place off site in people's houses and garages etc.
