11. WELCOME BACK FUNDING UPDATE

Minutes of a meeting of the Community and Environment Sub-Committee,
of Bingham Town Council, held in the Council Chamber at The Old Court House,
Church Street, Bingham on Tuesday 14 September 2021 at 7.15pm

The committee were updated that after meetings with Rushcliffe Borough Council, some of the items that could progress, included:

- Heritage lighting posts that have faded to be re-painted to compliment the RBC owned posts (ownership of NCC) – Nottinghamshire County Council had confirmed that these could be re-painted by the Town Council under the funding as they no longer carried out painting to lighting columns.
- Community Events arranged by Bingham Community Events – additionality for regular events and new events all were eligible for the funding.
- Low level planting to brighten the Market Place that could be used to zone areas during events – this was an idea that could be progressed via the funding.

The sub-committee noted that a service level agreement was to be signed for the funding with Rushcliffe Borough Council. The committee considered that three main areas of the welcome back funding would be the priorities to focus on. These were making the town look attractive, events to encourage visitors to the town centre and communications to promote the town centre. It was agreed to work within the £10,000 budget allocated and the sub-committee:

RESOLVED: that delegated authority be given to the Town Clerk to work in consultation with the members of the Sub-Committee to progress ideas within the three priorities to the value of the funding allocated of £10,000.
