11<sup>th</sup> March 2022

Dear Sir or Madam,

**NOTIFICATION OF ESSENTIAL SAFETY MAINTENANCE WORKS  
A52 between M1 Junction 25 and A1 Barrowby**

Further to previous works notifications, we write to advise you that the A52 between the M1 Junction 25 and the A1 at Barrowby scheme is now being re-scheduled.

The scheme has been re-scheduled to avoid potential clashes with other road works along the A52 and due to lost time due to unforeseen weather conditions. This strategy minimises disruption and confusion wherever possible with regards to works traffic diversions.

**When will the work take place?**

We will work overnight between 8pm and 6am as per the locations and dates outlined below.

- A52 Westbound Queens Drive Exit Slip 14<sup>th</sup> – 15<sup>th</sup> March
- A52 Eastbound Priory Roundabout to QMC 15<sup>th</sup> – 16<sup>th</sup> March
- A52 Eastbound & Westbound Bingham to Barrowby 4<sup>th</sup> – 9<sup>th</sup> April

Please note that all our planned works are subject to change due to weather conditions or unforeseen circumstances, such as clashes with other emergency work on the diversion routes.

**How will the work affect traffic?**

To maintain a safe environment for our workforce and motorists, we will need to use full carriageway closures in phases while we work.

During all road closures we will put in place fully signed diversion routes which have been agreed with the Local Authority. All carriageways will be open as usual outside of our working hours.
