A member of the public raised concerns regarding the re-development of Toot Hill School and the impact on the homes surrounding, including The Banks. Outside of the construction period which would create traffic and noise issues, the environmental impact was noted as a concern. Increased numbers at the school would result in further traffic and the resident considered the residential area of The Banks unsuitable for further traffic increase. The resident wished to see a meaningful consultation with the Town and surrounding neighbours.

The Mayor confirmed that a meeting with the Department of Education had taken place and traffic issues had been raised as a concern. It was confirmed that the Council would take
