Section 3 – External Auditor’s Report and Certificate 2024/25

In respect of **Bingham Town Council - NT0017**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

We note that the smaller authority did not comply with Regulation 15 of the Accounts and Audit Regulations 2015 as it failed to make proper provision during the year 2025/26 for the exercise of public rights, since the notice regarding the period for the exercise of public rights was not published before the start of the period. As a result, the smaller authority must answer ‘No’ to Assertion 4 of the Annual Governance Statement for 2025/26 and ensure that it makes proper provision for the exercise of public rights during 2026/27.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

Dear Ms Riddle

We issued our final report and certificate for Bingham Town Council on 24 July 2025 which contained an 'other' matter in relation to the notice regarding the period for the exercise of public rights not being published before the start of the public rights period. We understand that the notice of public rights published on the website of the smaller authority was different to the information submitted to us, and that the published notice date had been amended to be prior to the start of the public rights period. Accordingly this 'other matter' is not required.

Unfortunately, once we issue our opinion and certify closure we are unable to reissue our report; however this email may be published alongside the final report and certificate for clarification.

Kind Regards
